Vance traveled and sang with the Late Anthony Burger, Karen Peck and New River. And now Vance and Jeannie are full-time song evangelists. Traveling 150 dates per year, their music is part of the greater mission: to minister a message of Hope in Jesus.

Vance's parents were suddenly killed in an auto accident in 1984. Vance felt the Lord was calling him to continue and fulfill the ministry in which God had called him to with his parents as a child, but on a much broader scale.

Vance met Jeannie in 1978 and they married in 1981, agreeing that this was the direction the Lord had for them. A new generation of Sharpe Ministries was born.

Currently when not traveling Vance operates Sharp Sound Studio's and Jeannie home schools their boys.

The Sharpes welcome your prayers for their ministry and the congregations they serve in evangelism.
